

COASTAL CORE

Welcome to Coastal Core

An Introduction to Coastal Core

▶ Introduction

Coastal Core was established in 2010 by our director, Robert Wheeldon. We have grown into one of Northern Ireland's leading First Aid Medical Training providers, First Aid Suppliers and Private Ambulance Service.

Mission Statement

At Coastal Core Ltd, our mission is to provide the highest quality of customer care by continuously exceeding the needs of our customers. We are committed to delivering an efficient, trustworthy and cost effective service in an environment that encourages excellence, teamwork, compassion and continuous improvement.

Vision Statement

Our vision is for Coastal Core to excel as the leading healthcare provider through our Private Ambulance Service, First Aid Training and First Aid & Medical Supplies.

Trusted by our clients, suppliers and service users; and with our community focus we will be the number one healthcare provider of choice in Northern Ireland.

 Coastal Core Values**C****Commitment**

To all our clients, suppliers and service users by providing the highest standard of service and care in all that we do.

O**Open and Honest**

Integrity is at the core of all we do. We believe our people work best when an open and honest working culture exists, that we strive to develop and maintain.

R**Respect and Trust**

Building a foundation of trust with our clients, suppliers, service users and our team. Developing strong lasting relationships.

E**Exceptional**

Always exceeding our client's expectations. We are determined to be the best at everything we do. We listen to what matters the most for our clients, service users and our team.

COASTAL CORE MEDICAL

Since 2017 Coastal Core Private Ambulance Service has successfully worked in partnership with the Northern Ireland Ambulance Service (NIAS) and the Northern Ireland Health and Social Care Trusts. We provide patient transport services to NIAS for contracted services and adhoc journeys. Patient transport services are aimed at patients with mobility needs who cannot travel easily by taxi. Through NIAS and the Trusts we service the whole of Northern Ireland providing an exceptional service and patient centred care.

All the staff on our ambulances are fully training and receive regular refresher training to ensure we retain high standards that the public deserve. We invest in our people and our company. No compromise.

Recruitment for Ambulance Care Attendance and First Aid Trainers will commence early 2022. Ambulance Care Attendance require a minimum of FREC 3 (First Response Emergency Care Level 3) Training for FREC 3 can obtained through Coastal Core Training.
