# Essential Skills

**The ability to read, write and count are essential skills and knowledge you need to operate effectively in everyday life and at work.**

Achieving the Essential Skills qualification in Literacy and Numeracy is the first steps towards gaining a GCSE qualification.

Courses range from Entry Level to Level 1 and Level 2, so there is a course to suit everyone. Before the course begins, the tutors who are experienced in working with adults will identify the level that best meets your needs.

This will enable you to start at an appropriate level and pace, build skills and progress towards your full potential. Students undertake a range of interesting practical activities on every day topics, for example health, customer care, shopping or buying a car. Courses lead to nationally recognised qualifications.

**These courses are 100% FREE and offered at a number of locations throughout the North West.**

**“I passed my Essential Skills in English after taking a community course with NWRC, through the Roe Valley Residents Association. The class was very relaxed and I had a brilliant tutor in Conal McNickle.**

**I would highly recommend taking a class at your local community hub, and I’m now considering further learning with the College.”**

### DISCLAIMER

We make every reasonable effort to ensure that the information provided in this course guide is correct at the time of going to print (June 2022). The College shall not be bound by any errors or omissions, and cannot accept liability in respect thereof.

Any subsequent changes will be published online. Please refer to [www.nwrc.ac.uk](http://www.nwrc.ac.uk) for the latest information before you apply.

The College will make every effort to deliver in accordance with the descriptions set out in this course guide. However, the College is dependent upon public funds which have to be managed in a way which is efficient. The College therefore reserves the right to make variations to the content or methods of delivery of assessment of courses, to discontinue courses or to merge or combine courses, if such action is reasonably considered to be necessary in the context of its wider purpose. If the College discontinues any course, we will use reasonable endeavours to provide a suitable alternative.

In the event of a pandemic, the College may have to implement restrictions in respect of your study or effect a temporary College closure. Please be assured, in such instances NWRC will follow government advice and will make appropriate reasonable adjustments to maintain the ongoing quality of teaching and support for all of our students. In line with the Consumer Rights Act 2015, you will be notified of any such changes, the reasons for the changes and any options available to you to avoid such changes having an adverse impact on your future career and financial prospects.

### ACKNOWLEDGEMENTS
