HIGHER EDUCATION AND ACCESS AWARDS

Welcome

MESSAGE FROM OUR PRINCIPAL

It's my pleasure to welcome you and your guests to the North West Regional College Higher Education and Access Graduation ceremony.

Today we celebrate the achievements of more than 600 graduates who have completed studies across our Higher Education and Access programmes, including Foundation Degree, Higher National Diploma, and Professional Development.

Graduation is a very special day to reflect on all your hard work and commitment and to celebrate your success with those who have supported you throughout your learning experience.

The College is extremely proud of all our graduates. We are delighted to celebrate this memorable occasion with you and mark the beginning of the next chapter in your life.

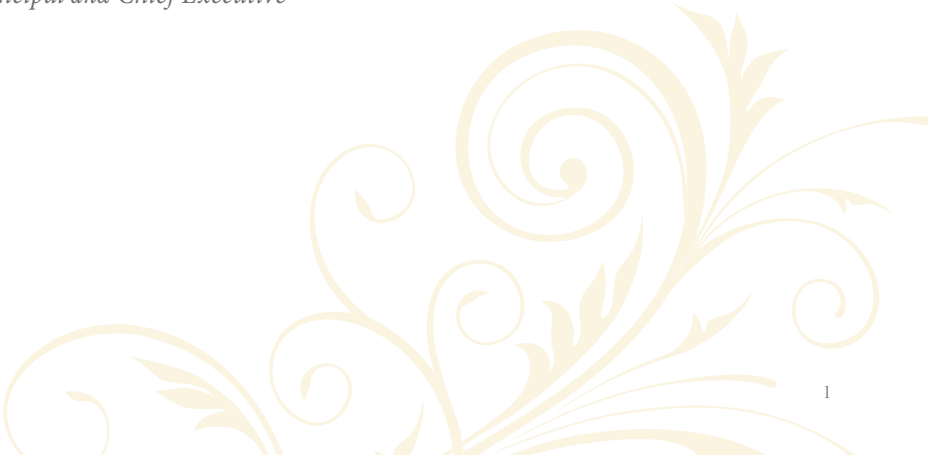

Thank you for choosing North West Regional College for your studies. We are proud to provide a Higher Education programme that creates opportunities for our graduates, be that employment or progression to university.

My warmest congratulations to each graduate on your achievements at North West Regional College. We welcome you to remain a part of the College community through our Alumni Association so that your future accomplishments may inspire those who follow in your footsteps.

I hope you have a wonderful day and I wish you every success for the future.

AOIFE HARVEY
Fashion Designer / Business Owner (AH Designs)

Honorary Award in recognition of her contribution to the Arts, Fashion and Sustainability

NWRC alumni and Fashion Designer Aoife Harvey studied the BTEC Level 3 Diploma in Art and Design and the UAL Foundation Diploma at NWRC Limavady and graduated from Ulster University with a first-class honours degree in Fashion and Textiles. During her time at the College she was awarded the Zachary Geddis Scholarship.

This year Aoife won the BBC Northern Ireland Television series 'A Stitch Through Time' where she went head-to-head against three other designers over four weeks of competition.

She was also the only Northern Irish designer to showcase at Northern Fashion Week in Manchester from 14th- 16th of July. Recently Aoife was shortlisted as a finalist at the Northern Ireland social media awards.

She's now working full-time on her fashion brand AH Designs specialising in upcycled fashion using her fabric-first approach.

AARON McELHINNEY

Honorary Award in recognition of his contribution to Entrepreneurship

Aaron McElhinney studied the BTEC National Diploma in Computing at NWRC and went on to study a Degree in Computing at Edinburgh University.
