SAFEGUARDING

Our staff are committed to providing a safe and supportive environment where students feel safe and receive effective pastoral and safeguarding care, guidance and support. We have a dedicated safeguarding team that promotes awareness of safeguarding issues and is always available to provide support to students, families and staff.

In line with statutory safeguarding guidance, the college has a designated safeguarding team. We offer a listening ear, support and advice with issues such as abuse, bereavement, mental health issues, unplanned pregnancy, homelessness, relationship breakdown, gender change and or any concern a student may have during their time at college.

If you would like to arrange an appointment with our safeguarding team, please call 02871278709.

CRIMINAL CONVICTIONS

NWRC actively promotes equality of opportunity for all and welcomes enrolments from students with criminal convictions. However in order to manage any risk, you must tell us about any unspent convictions you have. You should do this by declaring on the college’s enrolment form. Certain courses require you to consider spent as well as unspent criminal convictions. In such instances, you must disclose all past offenses as it may impact on your career progression. By disclosing criminal convictions you will not automatically be excluded from the application / enrolment process. Students that disclose a criminal history will be required to complete a Basic or an Enhanced Access NI check. This will depend on the nature of the course you have applied for. All students applying for a course that requires work placement in regulated activity will be required to complete an Enhanced Access NI check. The College is committed to processing Criminal Record Checks in accordance with the Access NI Code of Practice which is available on the Access NI website or alternatively a copy can be requested from Student Services at the College. The College will assess the risk that you may pose and determine whether it can be managed. You will be advised about the outcome of this process as quickly as possible. If you are convicted of a criminal offence after you have applied, you must contact the Safeguarding Team and tell them about this.

WORK PLACEMENT

All students going on work placement into regulated activity will be required to complete an Enhanced Access NI check. The College is committed to processing Criminal Record Checks in accordance with the Access NI Code of Practice which is available on the Access NI website or alternatively a copy can be requested from Student Services at the College. For more information, please contact our Safeguarding Officer on 028 7127 8709.
